Lighthouse Catholic Media

You asked for it!...Some have asked for a CD with recitation of the Rosary. You'll find CDs now on the kiosks simply called "The Holy Rosary." Some have also asked for more of "Relativism," a vital topic to recognize many evils of our day. There are more of them on the kiosks now, too. Matthew Kelly is a very popular speaker. See "The Best Way to Live". Matthew gives sound advice with humor and an Aussie accent! If you have a request for a certain topic, please let the parish office know.

Why Do We Do It?

Regarding Sunday and Holy Day obligation of Mass...How much can I miss and still fulfill the obligation? The questions should be, instead, what excuse do I have for arriving late or leaving early?

Missing any part of a gravely-binding action, such as attending Mass, is excusable only to the extent there is sufficient reason. So it's not a matter of how much is missed, but why. Those tempting to cut themselves some slack should remember an accounting will need to be rendered to God who gave the Church authority to set out what is expected.
