

St. Peter Intramural Basketball Sign up Form

It's time again for SPAC Intramural Basketball! We will once again be sponsored by the Knights of Columbus, Council 3114 Clonmel Schulte. Just as there was in previous years, there will again be both a league for 1st-2nd grade students, a league for 3rd-5th grade students AND a five-week clinic for Kindergartners.

Everything is developmental in nature and is geared to help our young athletes build skills and promote good sportsmanship. **DEADLINE to sign up for league is Wednesday, January 14th.** There will be a lower division for 1st - 2nd grade and an upper division for 3rd, 4th and 5th grades. Each team will play 5 or 6 games on FOUR separate Sundays in February and March (2/15, 3/1, 3/8 and 3/15). There will also be a postseason tournament on Saturday, March 21st (if necessary) and Sunday, March 22nd. The fee is \$25 per player which includes a league t-shirt and a ball. Please make checks payable to SPAC. **Evaluations will be held on Sunday, January 18th at 2:00pm for the lower division and at 3:30pm for the upper division.** Practices will begin the first week of February 2nd. All games will start Feb. 15th

We NEED coaches!! Please also call, text or email Mike Sandbo (info below) so he can count you as a coach and begin to assemble teams as soon as evaluations are complete. I promise you that you don't have to have the basketball knowledge of Bill Self and it's a great way to get involved!

The Kindergarten clinic will be on five dates (1/18, 2/1, 2/15, 2/22, 3/1) from 12:00pm to 1:15pm. Just like the leagues, the fee for the clinic is \$25 per player which includes a t-shirt and a ball. Please make checks payable to SPAC. **DEADLINE to sign up for the Kindergarten Clinic is also Wednesday, January 15th.**

We ask that each player in either of the two leagues AND the clinic have a liability waiver on file with the school. Please contact Mike Sandbo with any questions @ 570-2095 or sandbo918@yahoo.com. Sign up, liability form and payment can be turned in one of the following ways:

Coach: St. Peter Intramural teams are coached by parents and we rely on parents to keep the league going. The time commitment is five Sunday afternoons for games and 1 or 2 nights per week, for practice, in February and March. Please consider coaching as a way to help this league!
